

BAY PLANTER

SKU# 131000

Thank you for purchasing this quality Lucci product. To ensure correct function and safety, please read and follow all instructions carefully before assembly, installation and use of this product. Please keep instructions for future reference.

Warranty

- This product is covered by a 12 month warranty from the date of purchase. Please retain proof of purchase.
- Warranty will be void if there is any damage due to improper usage or modification to the fitting.
- Failure to comply with the instructions in this manual may increase the risk of damage or injury and will void warranty.

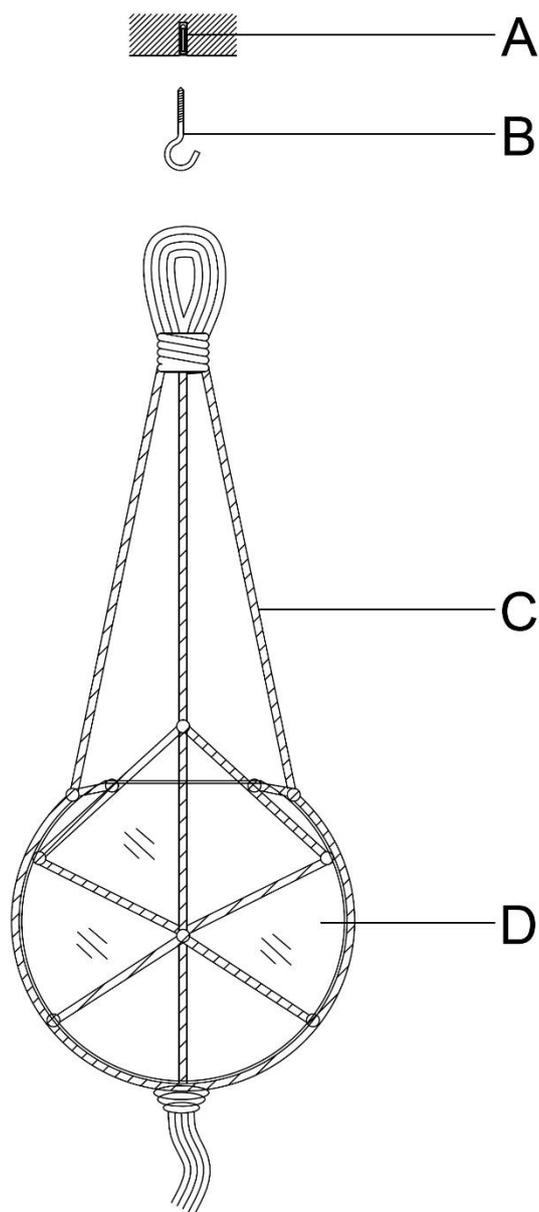

Installation Requirements

- Select a suitable location for installation:
 - This product is suitable for indoor use only.
 - The mounting point must support 2 times the weight of the fitting and the contents of the planter.
 - Do not exceed the maximum load capacity.
 - The rope cannot be exposed to water for long periods, keep away from areas prone to moisture.
 - Ensure it is not installed in a location, where it may be knocked off the hook easily.
 - Ensure the fitting is not installed in direct line of an air vent/system.
 - If installing a fitting in an area prone to moisture, ensure that the area is well ventilated and an appropriately rated exhaust fan is used if required. Damage caused by moisture is not a product fault, and as such is not covered under warranty.
- Lay out all the components on a smooth surface and make sure there are no components missing before assembling. If parts are missing, return the complete product to the place of purchase for inspection or replacement.
- Check whether the fitting has been damaged during transport. Do not operate/install any product which appears damaged in any way. Return the complete product to the place of purchase for inspection, repair or replacement.

Installation Directions

1. Remove all packaging material from the product and be careful not to throw away accessories that may be hidden within the packaging material.
2. Depending on the mounting surface and the surrounding environment, determine the appropriate installation method. Mark the hook position on the ceiling and drill a hole. Install the plastic anchor (A) and hook (B) into the ceiling.
3. Install the glass (D) into the rope (C) and hang the rope (C) onto the hook (B).

NOTE: When watering the plant in the glass (D), take care to avoid the rope.

Safety Tips

- Young children should be supervised to ensure that they do not play with the product.
- Handle the glass shade with care to avoid any damage or breakage.
- Select a suitable location away from liquids and hazards,
- Ensure that the fitting does not come in contact with corrosive chemicals, etc.
- To clean, wipe with a damp clean cloth. Never soak the product with water.
