

GLOW LED CANDLES (4 PACK)

SKU# 269348, 269349

Rated Voltage 3.0V DC

Thank you for purchasing this quality Lucci product. To ensure correct function and safety, please read and follow all instructions carefully before assembly, installation and use of this product. Please keep the instructions for future reference.

Warranty

- This fitting is covered by a 12 month warranty from the date of purchase. Please retain proof of purchase.
- Warranty will be void if there is any damage due to improper usage or modification to the fitting.
- Failure to comply with the instructions in this manual may increase the risk of damage or injury and will void warranty.

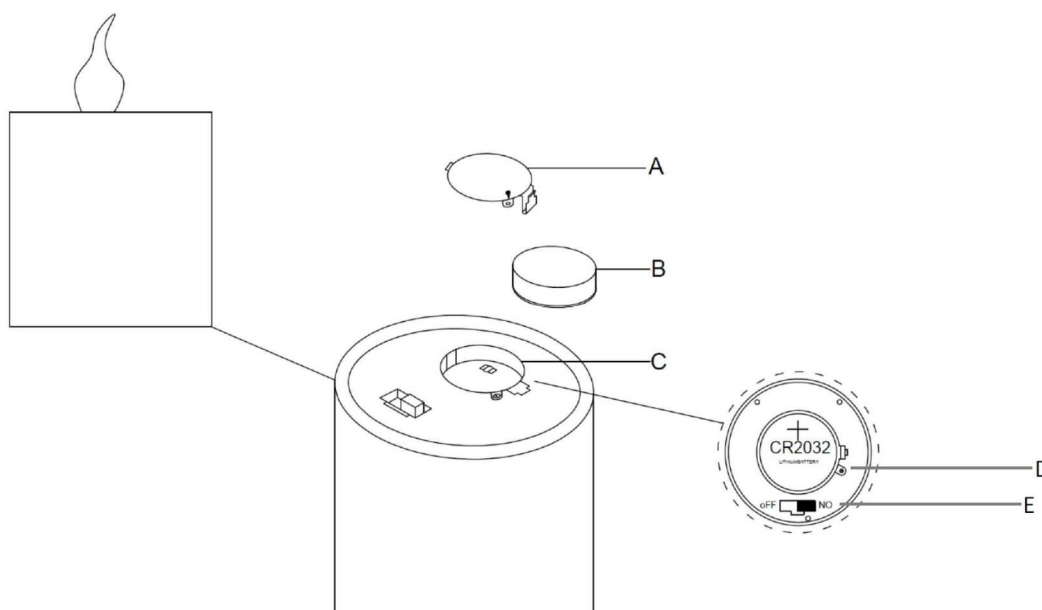

Installation Requirements

- Select a suitable location for this product:
 - This product is not waterproof.
 - This product is suitable for indoor use only.
 - Keep away from liquids, dusty, humid or hot areas.
 - Keep out of direct sunlight. These LED candles are made from wax and they can melt if placed in sunlight for prolonged periods of time.
- Lay out all the components on a smooth surface and make sure there are no components missing. If parts are missing, return the complete product to the place of purchase for inspection or replacement.
- Check whether the fitting has been damaged during transport. Do not operate the product which appears damaged in any way. Return the complete product to the place of purchase for inspection, repair or replacement.

Operation and Battery Replacement

BATTERY - 1 x CR2032 button battery (included)

1. Open the battery box lid (A) by loosening the screw (D).
2. Remove the battery isolation tap (For the use of first time).
Replace the button battery (B) when required.
3. Install the battery box lid (A) back to the battery compartment (C), then tightening the screw (D).
4. Use the switch (E) to turn the LED candle on/off.

Battery Tips and Warnings

- **WARNING** – KEEP BATTERIES OUT OF REACH OF CHILDREN.
- **CAUTION** – Do not ingest battery—Chemical burn hazard.
- If the coin/button cell battery is swallowed, it can cause severe internal burns in just 2 hours and can lead to death due to chemical burns and potential perforation of the oesophagus.
- If you think batteries might have been swallowed or placed inside any part of the body, seek immediate medical attention.
- If you suspect your child has swallowed or inserted a button battery, immediately call the 24-hour Poisons Information Centre on **13 11 26** for fast, expert advice.
- Regularly check the product and make sure the battery box lid is correctly secured. If the battery compartment does not close securely, stop using the product and keep it away from children.
- If the battery box lid has been cracked or damaged, do not continue to use this product.
- Dispose of used batteries immediately and safely (so they cannot be retrieved by children). Flat batteries can still be dangerous.
- Keep new and used batteries away from children.
- Exhausted batteries are to be removed from the product.
- Batteries shall only be installed or replaced by an adult. Securely tight the battery box lid after replacement.
- Do not use rechargeable batteries in this product.
- The supply terminals are not to be short-circuited.
- Ensure the batteries are inserted with the correct polarity.
- Remove batteries from the product when not in use for long periods of time.

Safety Tips and Warnings

- This product is NOT a toy. Keep out of reach of small children. NOT recommended for children aged 3 and under.
- Young children should be supervised to ensure that they do not play with this product.
- This product is for decorative purposes only.
- This product is not suitable to be painted.
- Handle the fitting with care, do not squeeze, bend or drop the fitting as this may damage the internal components.
- The LEDs are not replaceable and there are no serviceable parts, do not attempt to dismantle or open the product.
- To clean, wipe with a soft damp cloth or duster. Do NOT soak or immerse the product in water or other liquids.
- Ensure that the fitting does not come in contact with corrosive chemicals/solvents or abrasive cleaners etc.
