DIY Quick Connect System

3 EASY DIY STEPS

1 PLAN THE POSITION OF YOUR LIGHTING

Placement is important. Garden lighting should highlight features by illuminating key areas, trees and pathways.

2 SELECT YOUR PRODUCT

Choose from our wide range of Quick Connect spike spots, bollards, ribbon lights, wall, step and deck lights. View the full range online.

3 INSTALLATION

Complete your customised lighting design with our easy-to-install wiring kits and accessories. No power supply in your garden? Beacon's DIY Solar Cell is the perfect solution.
